▲ JUL 73

On behalf of the PRESIDENT'S BODYGUARD of INDIA, I am writing to you to compliment Captain CHARLES WILBURN who visited us in APRIL 1973 and who has very kindly made three paintings of our officers and men in Full Dress mounted on horse back which we are proposing to publish in our Regimental History Book to be brought out on the occasion of the bicentenary of the PRESIDENT'S BODYGUARD, on 30 SEPTEMBER 1973. The book will be launched by the President of India and I think you will agree with me that it is an honour and a great compliment to Captain CHARLES WILBURN in being reproduced in our Regimental History.

No doubt, I will be sending a copy of our Regimental History book to you and few copies to Captain WILBURN once they are launched.
